### **Public Notice**

#### **Opportunity to join hands with NIPAM Initiative of IP Office**

The DPIIT, on 8/12/2021, launched a strategic initiative of the National Intellectual Property Awareness Mission (NIPAM). The mission aims to spread awareness of Intellectual Property Rights to students and youth nationwide. The mission aims to achieve the following objectives by imparting training at academic institutions / industrial groups / SME-Startups,

- To inculcate the spirit of creativity and innovation, spreading IP Awareness
- To encourage the protection of the IP
- To encourage for respecting the IP and its fair use

The O/o CGPDTM appeals to all the IP Facilitators, IP Mitra, IP Practitioners, and Corporate IP Officials to volunteer their time for strengthening NIPAM activities. It's high time that whatever we all have achieved from the ecosystem as IP Professionals, let's give back time to society as a reward to build a strong IP foundation for the next generation.

We encourage partnerships with IP Firms to increase NIPAM's reach, disseminate knowledge on Intellectual Property Rights, and groom the practical skills and expertise of future researchers, creators, and inventors to sensitize them about IPR.

The professionals willing to spend their time in this voluntary drive of NIPAM may register using the link provided below; upon registration, you will receive the details on planning the events in virtual/physical mode. No TA/DA or any expenses shall be paid towards this
